Time	Info From	Info To	Details
1916	Traffic Units		off their own parking lot w/ barriers? MP's do not want to get involved at all. no vehicles into the area of Bank/Jessington - no officers allowing any vehicles in. QRT to attend for those trying to bring a tent up. - no vehicles to enter closed off area. - 8424 will attend PPS speaking to public works in regards to barricades - ie zigzag bars on Wellington from Lyon to Elgin so that no one has a direct route. - TC as long as we have an emerg route, will double check w/ traffic as well to ensure this will work. PPS also has 5 jersey barriers 12 ft long available for PPS if required.
1923	PPS/OT Sup EC		
1930	Courts	IC	information from courts at to be notified if Elgin St will be closed judges need access please call [redacted] REDACTED
1935	PPS	IC	PPS plan 2 either side of Kent either side of Bank either side of O'Donnar and so on to Elgin in a zigzag formation - 2-3 days can move them.
1939	PPS		jersey barriers Bay & Queen
1939	PPS Sup		4 officers at Confid park entrances not on staffing list so will have to staff it. or put jersey barriers up.
1943			Confid park is 20 m from jersey barriers by the shed - [redacted] George's Sussex behind chapters seems

Time	Info From	Info To	Details
			to be a fuel drop off - some piles of wood in Don Judd park.
			OPP: Night-time operation to move out structure it would not approve would need a robust plan w/ intelligence to be backed up by numbers.
			you - would have the same feelings being pulled in too many directions to secure the park would need at least four teams - briefing from four complete
1949	Intel	TC	some fire cars, propane tanks, fires all over BBQ pits at west of George Tasseoys - moving in for camp fire.
1950	NRCC		Sitrep - OPS - reporting on Becht PCT's welders at Confederation park. plan for barriers on Wellington to ensure safety of pedestrians. Nothing from OPP - definitely a Zeeba RVs buses and cars 30 cars Alexandria Bridge parking lot hotels full - Portage closed under RCMP's responsibility overnight. PPS - quiet at Parliament Hill nothing to report.
			Intel. - REDACTED - kitchen set up at St John A - put in new PS. Reported large supply of wood was going to be delivered.
1957	NRCC IC	POUL	Sitrep complete - ask your teams the mood of the crowd.
2001	TC		John Ferguson - advising Elders are still talking about the removal of the structure.
2004	OpSup		David has no answer regarding barriers at Carriev Hill will probably work be tonight

Time	Info From	Info To	Details
2010	Opsup	IC	mackenzie/wellington from Sgt Lowell - would be a good placement for Jersey barriers as it takes manpower there and when officers were changing cars came through.
2014	Opsup		[REDACTED]
2028	IC		202C advise via email hazardous material/enforcement
2029	8763	Opsup	can we back up trailer to empty. portapotties? - trailer here now? confirm it is just to empty. approved by IC earlier. (
2033	IC	Traffic	presented PPS plan for barricades on Wellington. decision is no on the barricades as they can be moved around by the protestors and they can avoid have to be manned to be effective.
2038	INLU	IC	Intel asking to fill up his units @ 2100 hrs will reassess @ 2050 hrs
2039	Opsup	IC	jersey barrier right at the top of Elgin at wellington in the east bound lanes - approved by TC and wellington and Bank approved. Barrier will be placed at corner by and Riebau??
2050	RCMP	IC	would you want Chaudhrene closed? Negative just for traffic.
2052	IC		Public works jersey barriers to be placed at Wellington w/ Bank & Wellington
2055	Opsup		vehicle abandoned at Wellington was arrested for public intox and is now all closed up. will just monitor tho. knows where it is
2057	RCMP		3 PM RCMP on all bridges all night in case there is a need to shut them down, just advise.
